

5MinuteConsult 手機版使用的程序新的流程說明如下：

The personal login details for 5MinuteConsult are under the CME section.

1. Access 5MinuteConsult on the institution's IP validated site – 在 IP 範圍內登入
2. Select CME from the top navigation bar or from the drop down menu – 選擇 CME 的選單

2-1.點選左上角 HOME

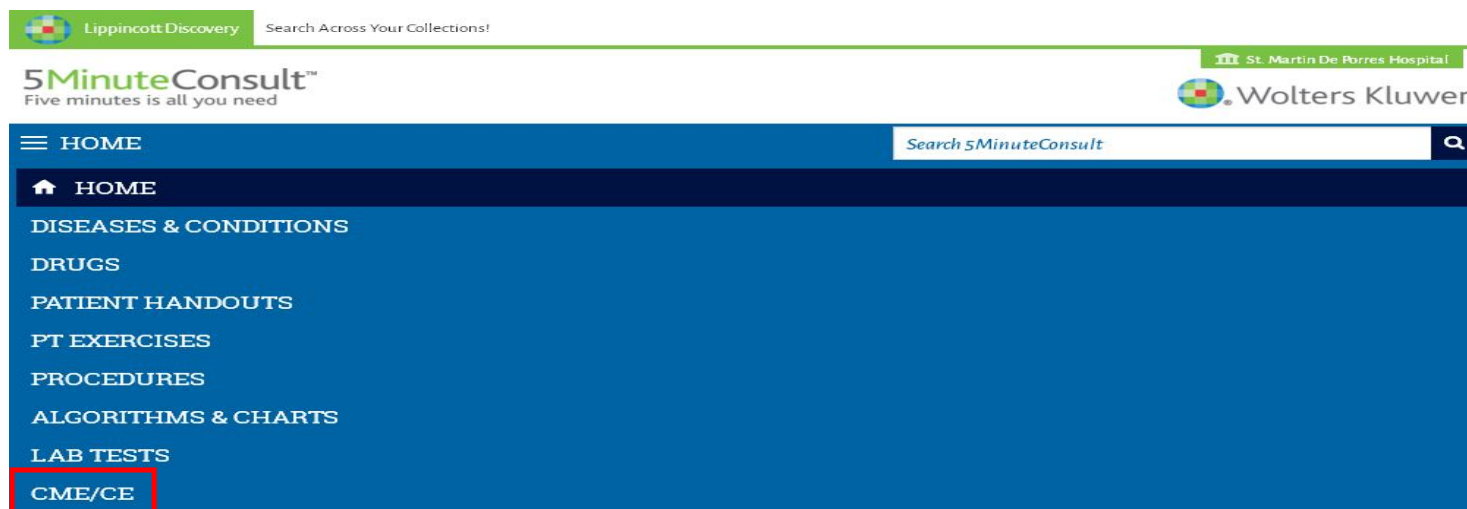

Welcome to 5MinuteConsult

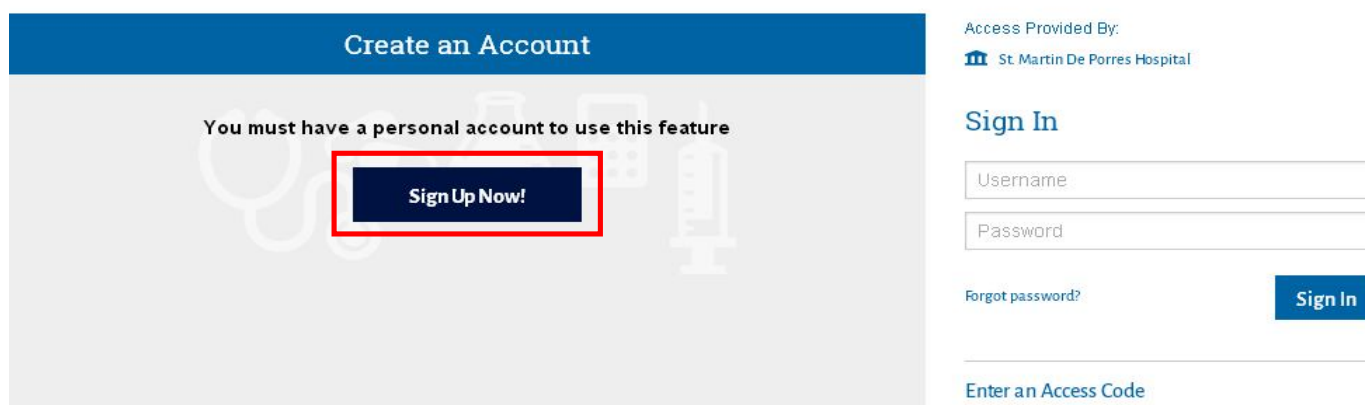

5MinuteConsult is an invaluable tool that provides quick answers and targeted, evidence-based medical content from reliable, trusted resources. Enter your term in the search bar below and start searching NOW!

2-2.選擇 CME 的選單

3. Click on the Subscription Options at the bottom of the screen – 將畫面移到最下方，點選 SignUpNow! 選項

4. Select the 10-Day Free Trial option. Creating the trial from within the institution's IP validated subscription will tie the login to the institution forever - allowing the user to have access for as long as the institution subscribes to 5MinuteConsult. – 選擇 10 天免費帳號，但只要是訂戶即可以享有訂購期間內持續使用。

10-Day Trial

Explore the site FREE for 10 days and learn why 5minuteconsult.com is an invaluable resource for your primary care practice.
